

Dear Parent & Carer

Welcome to our May newsletter. This is already a busy term with lots of things taking place as well as preparing our nursery children and P7 pupils for their next step. We are hoping to see some sunshine and warmer weather!

P7 End of Session Service

Our end of session service will be held in school on Wednesday 24th June at 1.15pm. Only P7 and award winners families will be able to attend.

Sports Day

Sports Day will be on Monday 8th June, there will be the usual potted sports in the morning at about 9.45am and races in the afternoon at about 1.15pm. If wet we will try again for the first dry day. Parents are invited to both sessions.

School Trip

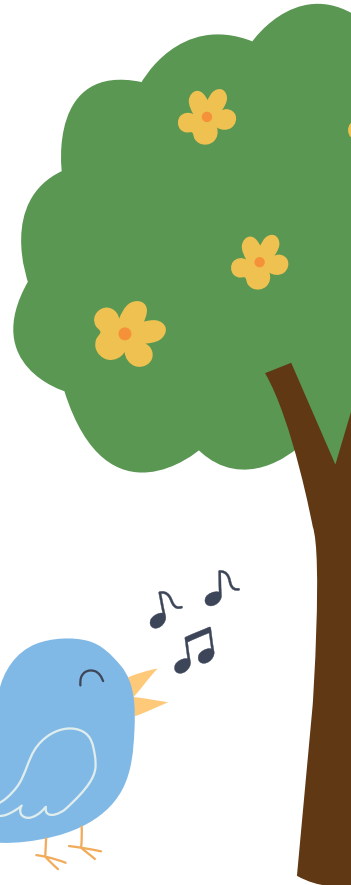

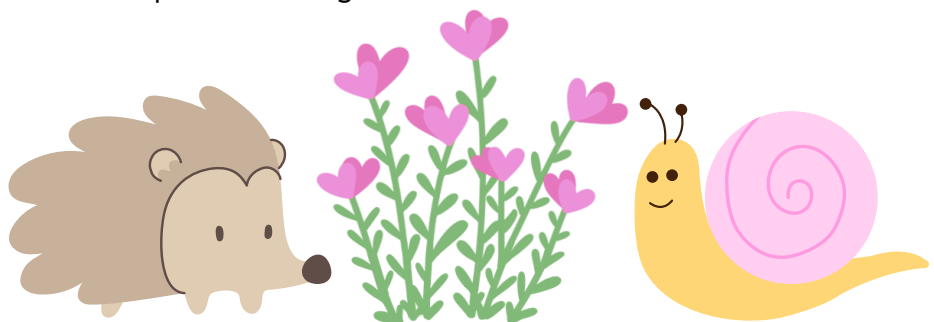

P1 to P6 will be going to the beach on 4th June. If the weather is bad then we will come back early. All children will require a packed lunch. All P1-6 (free meals only) can order through ipay in school. The cost for this trip will be £8 and is heavily subsidised through school fund as buses are very expensive. P1-6 must pay through ipay.

HMIe

We were delighted to welcome His Majesty's Inspectors into our school this month. We will share their findings with you in due course. Thank you to everyone who took the time to complete their questionnaire and be part of meetings.

Session 2026-2027

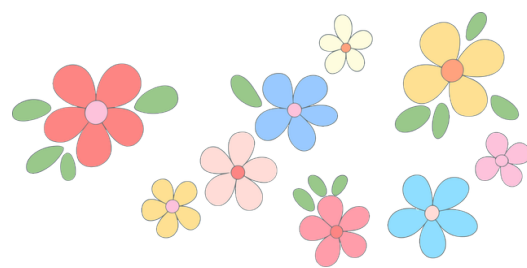

We are hoping that classes for next session will be made known in the June newsletter, but please be aware staffing is complex this session and the centre are working hard on it.

T.O.T.S. Talk (Time, Opportunity, Trust, Space)

The Moving On Assembly will be in the school hall at 10.00 on Monday 15th June. There will be two seats allocated for each family. Children will arrive via nursery so should be here at normal time. Parents should come via school main entrance and not via nursery.

We have had a couple of mishaps due to children wearing crocs, unfortunately these do not provide children's feet with enough support for the activities they take part in in nursery. Please send children to nursery in a fitted shoe/trainer.

When the weather looks like it is going to be good please apply sun cream before coming to nursery and also provide a hat.

Please see the Dates for your Diary section above for important nursery dates.

Thank you
The Nursery Team
